**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT
FOR APPLICANTS' MISTAKE (37 CFR 1.323)**

Commissioner for Patents
P.O. BOX 1450
Alexandria, VA 22313-1450

Attention: Decision and Certificate of Correction Branch
of the Patent Issue Division

Sir:

It has been noted that there are two errors in the above-identified patent as more fully described below and occurred in good faith and correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination and a Certificate of Correction is requested.

Attached hereto is PTO/SB/44 (Form PTO-1050) suitable for printing.

INSTRUCTIONS: This Form is for use in preparing Certificate of Correction copy for printing by the **Patent and Trademark Office**.

- Return both parts of this form. **DO NOT FURNISH PHOTOCOPIES FOR PRINTING.**
- Type within the borders printed on the form.
- Use a typewriter that will give clean, clear impressions. Unsuitable copy will have to be retyped and therefore delay printing. Use a typewriter with a carbon ribbon if possible. If a fabric ribbon typewriter is used, the ribbon should be medium inked and in good condition. Changes are best made with white correction fluid.
- If necessary, staple in the area indicated in the left margin, **ONLY**.
- Type mailing address and patent number below within the perforated area.
- Indicate additional printed copies requested 50¢ per page.
- A two-inch blank space should be left at the bottom of the last page of the form for the placement of the signature of the Attesting Officer.
